DANISH WEEK is created to educate the general public about the contributions to Southern California in particular and the United States in general made by Danish businesses, Danish organizations and Danish individuals in Southern California.

DANISH WEEK is *celebrating everything Danish* in Southern California with a number of events open to the general public that focus on the Danish design, culture, art, film, fashion, music and business in general. It is an opportunity to invite the public to meet your Danish business or organization.

DANISH WEEK is open to ALL with a Danish story in Southern CA from San Diego to Solvang.
